# SURYA

*Energising Lifestyles*

Surya, India's leading electrical & fastest growing consumer durable company presents its range of Smart Domestic Home Appliances with pioneering innovations.

The Indian-specific home appliances range of Surya caters to every domestic need from Food Preparation (Mixer Grinder, Juicer Mixer Grinder), Cooking (Glass Cooktop, Induction Cooktop, Sandwich Maker, Pop-up Toaster), Brewing (Kettle), Garment Care (Dry Iron, Steam Iron), Heating Appliances (Water Heater, Immersion Rod) to Home Comfort (Room Heater, Room Cooler). Designed for perfect quality, each product is developed for superior performance, durability and ease of use.

Products across the range simplify your daily chores be it at home or office. Form and function interweave themselves into a seamless solutions bouquet, which is the delight of every value-conscious homemaker.

At Surya, we use cutting-edge technology and innovation in our range of Smart Domestic Home Appliances to make life simpler. Every product is designed to rule out compromises and complications from your life and make it hassle-free. With the range of product offerings, you can have complete peace of mind, by managing your home in the easiest, simplest and smartest way possible.

To us superior performance means being in harmony with the environment, Surya's eco-friendly products not only save energy and water, they also comply with the most stringent global quality norms. All because, we believe that precious resources should be used with utmost care.

All to help you run your home & office just the way you like it – Simply, Smartly and Easily.

Bring home the joy of a Surya Appliance and make life awesome!

*Life Hogi  
Awesome!*

STEAM IRON

Self clean    Vertical steam    Anti-drip    Anti-calc    Ceramic soleplate

- 1600W
- Indicator light
- Ceramic soleplate
- Large 300 ml water tank
- Aerodynamic design for easy gliding
- Vertical/burst of steam
- Self cleaning button for easy maintenance
- 360° swivel cord for effortless maneuvering
- Easy grip temperature control dial for selection of different fabrics

# Steam-X

STEAM IRON

Self clean    Vertical steam    160 ml Water tank

- 1250 W
- Vertical/burst of steam
- Large 160 ml water tank
- Steam/dry spray function
- Self clean function for longer life
- 360° swivel cord for effortless maneuvering
- Easy grip temperature control dial for selection of different fabrics

# Heritage

DRY IRON

- 1000 W
- Large soleplate
- Aerodynamic design
- 360° swivel cord for effortless maneuvering
- Dupont teflon<sup>®</sup> coated soleplate for smooth gliding on fabric
- Easy grip temperature control dial for selection of different fabrics

# Neo

DRY IRON

- 1000 W
- Indicator light
- Large sole plate
- Aerodynamic design
- 180° Swivel cord for effortless maneuvering
- Xylan whitford's premium non stick coating
- Easy grip temperature control dial for selection of different fabrics

# Aura

DRY IRON

**1100**  
WATT

- 1100W
- Indicator light
- Aerodynamic design
- Thermal fuse for extra safety
- Weilburger premium non stick coating
- Super smooth surface finish of sole plate
- 360° Swivel cord for effortless maneuvering
- Easy grip temperature control dial for selection of different fabrics

# Rio

DRY IRON

Also available in white color

- 1000 W
- Indicator light
- Lagre sole plate
- Aerodynamic design
- 180° Swivel cord for effortless maneuvering
- Xylan whitford's premium non stick coating
- Easy grip temperature control dial for selection of different fabrics

# Shakti

HEAVY WEIGHT DRY IRON

- 1000 W
- Heavy weight body
- Aerodynamic design
- Thermal fuse for extra safety
- 180° Swivel cord for effortless maneuvering
- Dupont teflon<sup>®</sup> coated soleplate for smooth gliding on fabric
- Easy grip temperature control dial for selection of different fabrics

# Eco- Lyte

DRY IRON

- 750 W
- Light weight body
- Aerodynamic design
- Thermal fuse for extra safety
- Xylan whitford's premium non stick coating
- 180° swivel cord for effortless maneuvering

WATER HEATER

8 Bar Rated Pressure

Multi-Functional Safety Valve

High Quality Incoloy 800 Enamelled Heating Element

ABS Body

Thermal Cutout

Vitreous Enamel Coated Tank

Available in 15L & 25L

- Thermostat
- 5 star rating
- Heavy gauge tank
- Triple power input
- IPX4-splash proof
- Extra heavy duty anode rod
- Multi-functional safety valve

- Water tubes with whirlflow technology
- High quality Incoloy 800 heating element
- Vitreous enamel coated tank (Glass lined)
- Energy saving high density foam (PUF) insulation
- 8 bar rated pressure suitable for high-rise buildings
